## **Coronavirus Update from Executive Vice President Terry Chiglo**

**March 18, 2020**

Rushford State Bank is closely monitoring and addressing concerns related to the COVID-19 outbreak. Our Bank lobby is still open at this time, however we anticipate that we may need to close the lobby in the near future with little notice, for the safety of our customers and employees. We have implemented social distancing for all transactions and meetings at Rushford State Bank. Multiple times a day we are sanitizing surfaces to ensure customer safety, but please be cautious and conscientious if you choose to come to the Bank lobby.

During this virus outbreak, please remember our alternative banking options, which include online and mobile banking and debit/ATM cards. We are also available by phone during banking hours and are happy to assist you with any of your banking questions by phone or email.

We recommend calling prior to coming to the Bank to verify our lobby is open or to schedule an appointment with an Officer. Please contact us with any questions or concerns at 1-507-864-7755.

We will continue to update our website as we make decisions regarding our response to this pandemic.
