

Update: August 16, 2021 Lobby and Visiting Guidelines

To better serve your banking needs, we will our bank lobby will remain open. To keep our customers, employees and communities safe and healthy, we are implementing the following guidelines. While our lobby is open we strongly encourage the use of alternative banking methods – such as Online, Mobile, Telephone Banking and our Drive-Up –whenever possible.

Please do not enter our lobby if you are not feeling well or have been in contact with anyone that has tested positive for COVID-19. We will continue to monitor the local outbreaks and may close our lobby without notice if deemed appropriate.

The Measures We Are Taking

We are taking several precautionary measures in our lobbies, including:

- Complimentary hand sanitizing stations at both entrances to our lobby
- Distance markers and guides to ensure proper social distancing of at least six feet
- Shields in front of teller windows.
- Limiting the number of customers in our lobby

How You Can Help

When visiting our lobby please:

- For loans, new accounts and safe deposit box access please make an appointment in advance by calling [507-864-7755](tel:507-864-7755).
- Observe social distancing of at least six feet and refrain from gathering in groups.
- Please wear a face mask. Complimentary ones will be available. You may be asked to temporarily remove your mask for identification purposes.
- Use our complimentary hand sanitizer before conducting bank business.
- Cover your mouth or nose when coughing or sneezing. Dispose of tissues and sanitize your hands before continuing your bank business.
- Have your deposit slip and other items ready before you enter our lobby
- Please do not enter our lobby if you are not feeling well or have been in contact with anyone that has tested positive for COVID-19.

If you have questions about these procedures, please call us at 507-864-7755. These procedures will remain in effect until further notice.
